INDEPENDENT AUDITOR'S REPORT

The Brett Whiteley Foundation

To Members of the New South Wales Parliament

Report on the Financial Statements

I have audited the accompanying financial statements of the Brett Whiteley Foundation (the Company), which comprise the statement of comprehensive income, the statement of financial position as at 30 June 2013, statement of changes in equity and statement of cash flows, for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the Directors' Statement and Declaration.

Opinion

In my opinion, the financial statements:

- are in accordance with the *Corporations Act 2001*, including:
 - giving a true and fair view of the Company's financial position as at 30 June 2013 and its performance for the year ended on that date
 - complying with Australian Accounting Standards and the Corporations Regulations 2001
- are in accordance with section 41B of the *Public Finance and Audit Act 1983* (PF&A Act) and the Public Finance and Audit Regulation 2010
- are in accordance with the *Charitable Fundraising Act 1991* (CF Act) and the Charitable Fundraising Regulation 2008 (CF Regulation), including showing a true and fair view of the Company's financial result of fundraising appeals for the year ended 30 June 2013.

My opinion should be read in conjunction with the rest of this report on the financial statements.

The Directors' Responsibility for the Financial Statements

The Directors are responsible for the preparation of the financial statements that give a true and fair view in accordance with Australian Accounting Standards, the *Corporations Act 2001*, PF&A Act and the CF Act, and for such internal control as the Directors determine is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on the financial statements based on my audit. I conducted my audit in accordance with Australian Auditing Standards. Those Standards require that I comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design

audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Directors, as well as evaluating the overall presentation of the financial statements.

I believe the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

My opinion does *not* provide assurance:

- about the future viability of the Company
- that it has carried out its activities effectively, efficiently and economically
- about the effectiveness of its internal control
- that the Company has complied with requirements of the CF Act and CF Regulation other than those specified
- about the security and controls over the electronic publication of the audited financial statements on any website where they may be presented
- about any other information which may have been hyperlinked to/from the financial statements.

Report on Other Aspects of the *Charitable Fundraising Act 1991*

In addition, I have audited the Company's operations in order to express an opinion on the matters specified at sections 24(2)(b), 24(2)(c) and 24(2)(d) of the CF Act for the year ended 30 June 2013.

Opinion

In my opinion:

- the Company has properly kept the ledgers and associated records during the year ended 30 June 2013 in accordance with the CF Act and CF Regulation (section 24(2)(b) of the CF Act)
- the Company has, in all material respects, properly accounted for and applied money received as a result of fundraising appeals conducted during the year ended 30 June 2013 in accordance with the CF Act and the CF Regulation (section 24(2)(c) of the CF Act)
- there are reasonable grounds to believe that the Company will be able to pay its debts as and when they fall due over the 12 month period from the date of this report (section 24(2)(d) of the CF Act).

My opinion should be read in conjunction with the rest of this report, including the inherent limitations.

The Directors' Responsibility under the CF Act

The Directors are responsible for complying with the requirements and conditions of the CF Act and CF Regulation. This responsibility includes establishing and maintaining internal control over the conduct of all fundraising appeals; ensuring all assets obtained during, or as a result of, a fundraising appeal are safeguarded and properly accounted for; and maintaining proper books of account and records.

The Directors are also responsible for ensuring the Company will be able to pay its debts as and when they fall due.

Auditor's Responsibility

My responsibility is to express an opinion on the matters specified at sections 24 (2)(b), 24 (2)(c), and 24 (2)(d) of the CF Act. I conducted my audit in accordance with applicable Australian Auditing Standards and Standards on Assurance Engagements to obtain reasonable assurance whether the Company has, in all material respects, complied with specific requirements of the CF Act and CF Regulation, and whether there are reasonable grounds to believe the Company will be able to pay its

debts as and when they fall due over the 12 month period from the date of this independent auditor's report (future debts).

This audit involved performing procedures to obtain audit evidence about the Company's compliance with the CF Act and CF Regulation and its ability to pay future debts. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material breaches of compliance and inability to pay future debts. In making those risk assessments, the auditor considers relevant internal control in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

My procedures included obtaining an understanding of the internal control structure for fundraising appeal activities and examination, on a test basis, of evidence supporting the Company's compliance with specific requirements of the CF Act and CF Regulation, and assessing the reasonableness and appropriateness of the Directors' assessment regarding the Company's ability to pay future debts.

Inherent Limitations

Because of inherent limitations of any compliance procedure, it is possible that fraud, error or non-compliance with the CF Act may occur and not be detected. My procedures have not been performed continuously throughout the period, were not designed to detect all instances of non-compliance, and have not covered all requirements of the CF Act and CF Regulation.

Any projection of the evaluation of compliance with the CF Act to future periods is subject to the risk that the procedures may become inadequate because of changes in conditions, or that the degree of compliance with them may deteriorate.

Whilst evidence is available to support the Company's ability to pay future debts, such evidence is future orientated and speculative in nature. As a consequence, actual results are likely to be different from the information on which the opinion is based, since anticipated events frequently do not occur as expected or assumed and the variations between the prospective opinion and the actual outcome may be significant.

I believe the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Independence

In conducting my audit, I have complied with the independence requirements of the Australian Auditing Standards, Standards on Assurance Engagements, the *Corporations Act 2001* and other relevant ethical pronouncements. The PF&A Act further promotes independence by:

- providing that only Parliament, and not the executive government, can remove an Auditor-General
- mandating the Auditor-General as auditor of public sector agencies but precluding the provision of non-audit services, thus ensuring the Auditor-General and the Audit Office of New South Wales are not compromised in their role by the possibility of losing clients or income.

I confirm that the independence declaration required by the *Corporations Act 2001*, provided to the directors of Brett Whiteley Foundation on 11 October 2013, would be in the same terms if provided to the directors as at the time of this auditor's report.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

1 SIGNIFICANT ACCOUNTING POLICIES

(a) Reporting Entity

The Foundation was incorporated on 1st February, 1995. It is a not-for-profit entity as profit is not its primary objective and, it has no cash generating units. The Australian Securities & Investment Commission (ASIC) has issued a Section 151 licence to the Foundation approving the omission of the word "Limited" from the Foundation name. A condition of this licence is that amendments to the Foundation's memorandum and/or articles of association will need prior approval of the ASIC before a meeting of members can be held to pass a special resolution to effect those changes.

The Foundation holds authority number CFN18153 to fundraise under the provisions of the *Charitable Fundraising Act*, 1991.

The financial statements have been authorised for issue by the Board on 14 October 2013.

(b) Basis of Preparation

The Brett Whiteley Foundation's financial report is a general purpose financial report, which has been prepared in accordance with:

- the *Corporations Act 2001* ;
- Australian Accounting Standards and Interpretations, and
- the requirements for the *Public Finance and Audit Act 1983* and the Public Finance and Audit Regulation 2010.

The financial report is based on historical cost, except where a different basis of measurement is specified.

Judgements, key assumptions and estimations management has made are disclosed in the relevant notes to the financial report.

All amounts are rounded to the nearest dollar and are expressed in Australian currency.

(c) Statement of Compliance

The financial statements comply with Australian Accounting Standards and Interpretations.

(d) Accounting for Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of amount of GST except that;

- the amount of GST incurred by the Foundation as a purchaser that is not recoverable from the Australian Taxation Office is recognised as part of the cost of acquisition of an asset or as part of an item of expense; and
- receivables and payables are stated with the amount of GST included.

Operating cash flows are stated on a gross basis in the Statement of Cash Flows. The cash flows arising from investing and financing activities are also classified as operating cash flows.

(e) Revenue Recognition

Revenue is measured at the fair value of the consideration or contribution received or receivable. Additional comments regarding the accounting policies for the recognition of income are discussed below.

(i) Sale of Goods and Services

Revenue from the sale of goods and services is recognised when the Foundation transfers the significant risks and rewards of ownership of the assets.

(ii) Interest Revenue

Interest revenue is recognised using the effective interest method as set out in AASB 139 *Financial Instruments: Recognition and Measurement* .

(iii) Donations

Donations are recognised as revenue when the Foundation obtains control over the assets comprising the donations. Control over donations is normally obtained upon receipt of cash.

(iv) Venue Hire

Venue hire is recognised when the service is provided.

THE BRETT WHITELEY FOUNDATION

ACN 068 008 837

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

(f) Equity - Accumulated funds

The category of 'Accumulated Funds' includes all current and prior period retained earnings.

(g) Financial Instruments

The Foundation's financial instruments arise directly from the Foundation's operations or are required to finance its operations. The Foundation does not enter into or trade financial instruments for speculative purposes and does not use financial derivatives.

(i) Cash and cash equivalents

Cash comprises cash on hand and bank balances. Interest is earned at a variable interest rate on daily bank balances and paid monthly at the normal commercial rate.

(ii) Term Deposits

The Foundation has placed funds in bank deposits "at call" or for a fixed term. The interest rate payable is negotiated initially and is fixed for the term of the deposits. The deposits are usually held to maturity. Interest is accrued as at 30 June and brought to account in the Statement of Comprehensive Income.

(iii) Trade and Other Receivables

Trade and other receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. These financial assets are recognised initially at the transaction cost or face value. Subsequent measurement is at amortised cost using the effective interest method, less an allowance for any impairment of receivables. Any changes are accounted for in the Statement of Comprehensive Income when impaired, derecognised or through the amortisation process. No interest is earned on trade and other receivables. Sales are made on 30 day terms. Short-term receivables with no stated interest rate are measured at the original invoice amount where the effect of discounting is immaterial.

(iv) Trade and Other Payables

The amounts represent liabilities for goods and services provided to the Foundation and other amounts, including interest. Trade and other payables are recognised initially at transaction cost or face value. Subsequent measurement is at amortised cost using the effective interest method. Short-term payables with no stated interest rate are measured at the original invoice amount where the effect of discounting is immaterial.

(v) Risk Management of Financial Assets

The Foundation's investment's are confined to Term Deposits and are administered by the Art Gallery of NSW (Art Gallery) in line with its Investment Policy. The Art Gallery's Investment Policy and its Strategic Risk Management Plan were reviewed by the Finance Committee / Board during 2011/12. The policy is reviewed annually by the Art Gallery's Audit and Risk Committee.

This entailed a review of the major risks associated with the financial instruments i.e. Credit, Liquidity, Market, Interest rate, Currency and other risks. The likelihood and the consequences of each risk were analysed and the controls and risk mitigation strategies confirmed.

Credit risk arises when there is the possibility of the Foundation's debtors defaulting on their contractual obligations, resulting in a financial loss to Foundation. The maximum exposure to credit risk is generally represented by the carrying amount of the financial assets (net of any allowance for impairment). The Foundation is not materially exposed to concentrations of credit risk to a single trade debtor or group of debtors. The credit risk for trade debtors is the carrying amount (net of any allowance for impairment). No collateral is held by the Foundation. The Foundation has not granted any financial guarantees.

THE BRETT WHITELEY FOUNDATION

ACN 068 008 837

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

Credit risk on term deposit is managed by ensuring that only those banks and building societies approved by the Reserve Bank / Australian Prudential Regulatory Authority (APRA) and included in the 'AGNSW Approved List', all of which have A rating or better. The Finance Committee during 2009/10 resolved to confine the deposits to the four major banks and this policy remains unchanged. Maturities are generally less than 12 months.

Liquidity risk is the risk that the Foundation will be unable to meet its payment obligations when they fall due. The Foundation continuously manages this risk through monitoring future cash flows and maturities planning to ensure adequate holding of high quality liquid assets. The Foundation has no loans or overdrafts and no assets have been pledged as collateral. An overdraft facility is not considered necessary as arrangements have been put in place to call in term deposits at short notice if needed. A penalty of reduced interest rate may sometimes be incurred. Interest rate risks - The Foundation's exposure to interest rate risks is limited with the fixed rate term deposits which are negotiated prior to investment.

Other risks - The Foundation does not have financial assets which are exposed to market, currency or other risks.

(vi) Impairment of Financial Assets

All financial assets, except those measured at fair value through profit and loss, are subject to an annual review for impairment. An allowance for impairment is established when there is objective evidence that the Foundation will not be able to collect all amounts due. Any reversals of impairment losses are reversed through the Statement of Comprehensive Income, where there is objective evidence.

(vii) De- recognition of financial assets and liabilities

A financial asset is derecognised when the contractual rights to the cash flows from the financial assets expire; or if the Foundation transfers the financial asset.

- where substantially all the risks and rewards have been transferred or
- where the Foundation has not transferred substantially all the risks and rewards, if the entity has not retained control.

Where the Foundation has neither transferred nor retained substantially all the risks and rewards or transferred control, the asset is recognised to the extent of the Foundation's continuing involvement in the asset. A financial liability is derecognised when the obligation specified in the contract is discharged or cancelled or expired

(h) Comparative information

Except when an Australian Accounting Standard permits or requires otherwise, comparative information is disclosed in respect of the previous period for all amounts reported in the financial statements.

(i) Taxation Status

The Foundation is a registered charitable fund and is entitled to an income tax exemption concession.

(j) Inventories

Inventories are held for sale and are stated at the lower of cost or net realisable value. Costs are assigned on an weighted average cost basis.

(k) Accounting Standards Issued but not yet Effective

The Foundation did not early adopt any new accounting standards and interpretations that are not yet effective. At the date of authorisation of the financial statements, there were a number of Standards and Interpretations that were on issue but not yet effective.

The Foundation has assessed the impact of these new standards and interpretations and considers the impact to be not applicable or insignificant.

7 Related Parties

No remuneration or loans were provided to the directors.

The Foundation has entered into an agreement with Ms Wendy Whiteley for the sale of certain Whiteley publications on her behalf. These publications are supplied on a consignment basis at commercial terms. There was \$5,950 owing to her as at 30 June 2013 (\$5,052 at 2012).

With the exception of the above matter, no director has received or become entitled to receive, during or since the financial year, a benefit because of a contract made by the Foundation with a director, a firm in which the director is a member, or an entity in which the director has a substantial financial interest.

8 Events After the Reporting Period

The Government Property NSW (GPNSW) with the power granted under the *Government Property NSW Act 2006* will commence the transfer of the Brett Whiteley Studio from the Crown to the Art Gallery of NSW Trust. The letter advising the interim transfer was received on 24 July 2013.

9 Contingent Liabilities

There were no contingent liabilities as at 30 June 2013 (nil - 2012).

10 Commitments for Expenditure

There were no outstanding capital and expenditure commitments as at 30 June 2013 (nil - 2012).

11 Assistance received by the Foundation

The Brett Whiteley Foundation receives administrative and secretariat support at no cost from the Art Gallery of New South Wales.

An extension to the lease agreement with Arts NSW, to use the Brett Whiteley Studio premises at 2 Raper Street, Surry Hills for a nominal rental of \$1 per annum is currently under negotiation.

12 Fundraising Appeals

The Brett Whiteley Foundation did not undertake any specific fundraising appeals during the year.
